
SiteWatch™

Perimeter Protection by DW®

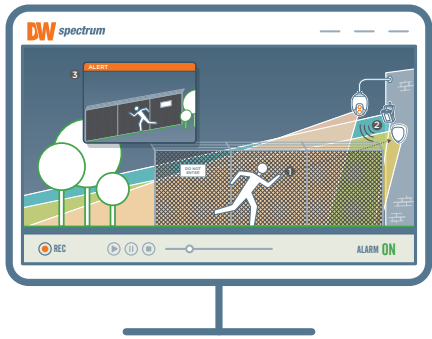

Upgrade your system with motion detection
and external illumination.

What are SiteWatch™ perimeter protection products?

SiteWatch™ motion detectors and illuminators are perfect for any installation that requires external lighting or motion detection. All detectors and illuminators are fully integrated with DW Spectrum® IPVMS and can be controlled and managed remotely from the software.

Key Technologies

SiteWatch™ detectors and illuminators

When the detectors detect motion, the illuminators can be programmed to turn on, and cameras can be activated to record. All devices can be controlled via DW Spectrum® IPVMS.

SiteWatch™ Illuminating distances

The SiteWatch™ infra-red and white-light illuminators incorporate the latest surface mount Dual-Core™ LEDs, combined with enhanced optical output and outstanding reliability at a variety of distances and wavelengths.

SiteWatch™ horn speaker

DW's outdoor IP-enabled speaker enables users to respond to events in real-time with automated and manual voice alerts. The IP67-rated housing is ideal for challenging outdoor conditions and is compatible with VoIP and SIP devices, making it ideal for any new or existing application.

Deterrence

Safety

Motion detector and laser sensors for PTZ enhancement

Combine SiteWatch™ motion detectors with a PTZ camera. When motion is detected, the camera can be programmed to move to a specific preset, increasing efficiency and reducing false alarm cases.

Motion detector and laser sensors for daytime monitoring

SiteWatch™ motion detectors offer a programmable beam range of up to 1640ft (500m), offering truly exceptional resistance to false alarms.

Amplify panoramic surveillance

Combine detectors and illuminators with MEGApix® Pano™ multi-sensor and hemispheric fisheye cameras to create a formidable panoramic solution.

IP environmental-rating

The SiteWatch™ laser sensor and illuminators are IP66-rated.
The SiteWatch™ motion detectors are IP65-rated.

IK impact rated

All SiteWatch™ illuminators are IK 09-rated impact-resistant.

NDAA/TAA Compliance
COMPLIANT PRODUCT

DW® IP cameras, analog cameras, NVRs, DVRs, network devices and management software sold and distributed worldwide are designed and developed in U.S.A. and Korea and manufactured in Korea, Vietnam and Taiwan.

Most DW products qualify for GSA Schedule Contracts and other government opportunities because they are NDAA compliant.
