

## Dimensions

unit: Inch (mm)

# Summary

These MEGApix® IP cameras are NDAA compliant and deliver crystal-clear images at 4MP resolution and real-time 30fps. The IP67-rated turret camera features a 2.8~12mm vari-focal lens with motorized zoom and a 360° camera gimbal for absolute view adjustment. Added intelligence includes line crossing, perimeter intrusion and video tampering detection. All MEGApix cameras are ONVIF conformant, assuring their successful integration with any open platform solution on the market.

#### **Features**

- 4MP 1/3" image sensor at real-time 30fps
- Vari-focal lens with motorized zoom and autofocus for complete remote lens control and focused image any time
- True Wide Dynamic Range (WDR) for clear images in challenging light
- Simultaneous streaming and multiple codec options for smart bandwidth management
- 164' Smart IR™ with intelligent camera sync for clear B/W images with no need for external light
- Line crossing video analytics
- Perimeter intrusion video analytics
- Video tampering with scene-change, video-blur and abnormal color detection video analytics.
- Smart DNR™ 3D digital noise reduction reduces noise and ghosting for motion in low-light environments.
- Privacy zones cover sensitive areas in the camera's field of view.
- Backlight compensation (BLC)
- Built-in microphone and audio input for direct communication between the monitoring station and the camera's location
- Local SD card slot for local recording in case of network loss
- Web server built-in for easy camera management from any browser
- PoE and DC12V for single cable simplified installation
- NDAA compliant for federal and government projects
- IP67- and IK10-rated camera housing built to last
- 5 year warranty

## Mounting accessories (Optional)

# **Specifications**
